Special Initiative during “COVID-19”

Our generation never ever had witnessed such a Pandemic situation which was happened when the infection from Corona virus spread in human and almost 70% of the total world population affected from this virus. When the developed western countries like USA, Italy, Spain, and Germany were struggling to fight with this infection the Third world countries conditions were more severe and India was one of them. India's condition was decreasing day by day so the PMO decided to lockdown the whole country except essential commodities. Under these severe circumstances the worst case scenario hit the poor people of our society where they find it hard to earn foods for livelihood. Here, our organization reached to near about 500 daily labors families and supplied essential commodities like Rice, Pulses, Oil, Vegetables along with Medicines and face masks. Our volunteers collected donations from people of higher societies to buy essential commodities for the poor people of our society, we thank them all. Here are some glimpses from the program...

Special Initiative for CYCLONE “AMPHAN & YASH”

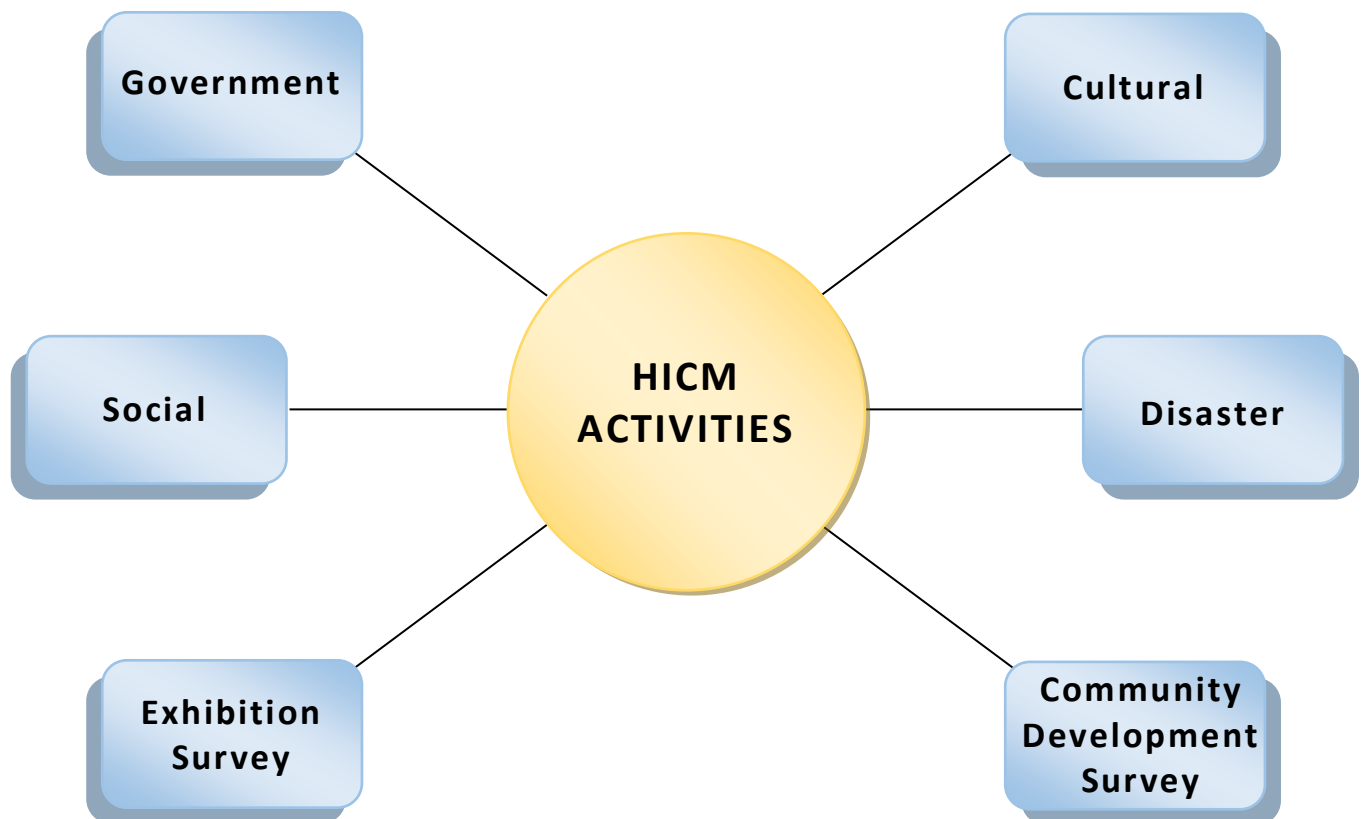

When the whole world was fighting with the pandemic Covid-19 the southern part of West Bengal hit by another natural disaster which was cyclone Amphan. The Indian meteorological Deptt. warned about the cyclone before but no one expected, this devastating. It was 20th May,

Bengal which were Howrah, Hooghly, North and South 24 Parganas, Kolkata, East and West Midnapore, Nadia and East Burdwan. Few days later when the roadways connected our volunteers reached to Hingalganj, North 24 Pgs. which is located near Bangladesh border led by our secretary to distribute Food items like Rice, Pulses, Biscuits, Water Bottles and Medicines.

Let's Introduce Our Activities

Our Activities

Cultural Activities

Our NGO motivates youths who are into singing, dancing, recitation drama etc. and don't get a appropriate platform to show their talents. We invite them to show their talent to audience during inauguration programs of various training programs which held at KMC wards and South 24 Pgs. other than that we observe Republic Day, Netaji's Birthday, Independence Day, Raksha Bandhan, Teacher's Day and during Durga Puja we organize Para Puja Award show with tollywood celebrities followed by executive members and other voluntary members.

Government Activities

2011 - 2016 we are into various Technical and Non-Technical Vocational Trainings like House Wiring, Electronics & Electrical Repairing, Hardware and Networking etc. under NCVT, MES & MSME deptt. Government of India. And 2016 to till now Beautician, Tailoring, Four Wheeler Driving etc. Organized by us aided by Government for the Unemployed Youths and Self Help Group to make them employed or Entrepreneurs.

Every year we organize Tree Plantation Day, Republic Day, Independence Day etc. program with our voluntary members and awareness camps so that we can reach the dictum that how important trees are for humans and one shouldn't cut trees without permission from local authority. We collect old cloths from donors and also buy new dresses and before arrival of Durga Puja we travel to SC and ST areas of South 24 Pgs. to Distribute Cloths among SC and ST people specially children and women. We also Distribute Books and other Stationary Materials for emerging students who are poor but meritorious.

SOCIAL ACTIVITIES

DISASTER Management

During Cyclone Aila, 2009 and Cyclone Amphan, 2020 our voluntary members took a major role to reach out to the most affected parts of south 24 pgs. in Sundarban at Madhabkathi, Kumirmari, Walechor, Jhorkhali, dhmakhali, Gosaba, Basanti and Hingalganj etc. with essential commodities like Cloth, Medicines, Zeoline, Candles, Dry Foods, Water Pouch etc.

SURVEY

on SC & ST Community

During our visit to North and South 24 pgs and Alipurduar to organize vocational training we found that a large no. of SC and ST people living in this districts are deprived from minimum privileges for livelihood. We decided to escalate their problems and desires to the government and our private donors so that can lead a better life mostly the children whose futures matter the most for our country. We organized a survey program with our volunteers and produced a survey report which later submitted to various concerned government officials.

Exhibition Survey

Halder Institute of Career Making is always indulged in promoting financially weak artists from various genre like bamboo and cane furniture making, dry flower making, terracotta, jute binding, paper strip designs, wood handicrafts etc. so we organize survey program with our voluntary members at various 'HOSTO SILPO MELA' in various districts of west Bengal and collect their data to and submit to various deptt. so that they can get various calls to serve in various places and earn money easily.

The growth from the grass-root level is in an absence state in India. The utilization of the human resources is lacking somewhere. Lots of people along with underprivileged community in India are deprived of their basic rights. But we strongly believe that, through education and skill development a human can make his/her life lead in an innovative & respectful manner. An inevitable contribution to this cause comes from the persistent efforts from the HICM volunteers. They understand the need to get involved with this cause. So come and extend your precious helping hand and contribute towards the betterment of the human life by supporting us economically and by joining us and make the change you want to see.
